Submission: Objection

Comments: The traffic is problem as it is never mind increasing the amount vehicles that could Potentially come with the build of 90+

New homes.

Also the views of our beautiful high peak that people from these properties have had the pleasure to look at for over 100 years will be no more than a Memory.

How much more of our country side is going to be built on.

I strongly object to the Application.

Many thanks

Darren Whipp
