david@levelprojects.com

Dear Mr Robinson

Thank you, for giving Buxton Building Supplies the opportunity to submit a quotation for the following work at The Buckingham Hotel, Buxton.

To supply and fit

12 Sliding sash bay windows	@	£5000.00 each	£60,000
10 Sliding sash curved windows	@	£1150.00 each	£11,500
33 sliding sash square windows	@	£1000.00 each	£33,000
8 top hung cellar windows	@	£ 595.00 each	£ 4,760

All Prices subject to vat @ 20.00%

Wood to be Accoya 50 year lifespan
All double glazing to be A rated
All primed, 2 undercoats and one gloss
All bottom units to be toughened glass
All internal panels below bays are included in bay quote

I have looked at every window in The Buckingham Hotel
and in my opinion the windows need to be replaced

- 1 .The sashes are badly fitted
- 2 .The sashes are not the right sizes so they are draughty and rattle when moved up and down
3. Because the building has moved the windows are not level to the gritstone
4. All the glass would need to be taken out and replaced as it does not meet building regulations

5. All the weights would have to be replaced
6. All the paint would need to be scraped off and re painted
7. All the window fittings need replacing
8. There are no draught seals in the frames or sashes
9. At the moment all the heating will escape through the windows

The balance will be due within 14 days of completion.

Please do not hesitate to contact me on (01298) 28804 if you have any queries or need any additional help or information in regards to the above.

Yours sincerely

Mick Snook
