Submission: Objection

Comments: I strongly object to this development on the grounds that highway safety will be compromised. An increase in traffic caused by 107 houses will become an unacceptable level both on Linglongs Road and Macclesfield Road. Currently Macclesfield Road can become blocked quickly if there is an increase in traffic intensity. The development will interrupt the safe and free flow of traffic on both Linglongs and Macclesfields roads and will affect existing conditions to an unacceptable level
