LORAINS DESIGN ASSOCIATES LTD

Derbyshire County Council Development Control County Hall Matlock DE4 3AG 13th July 2018

Planning Application Ref: CW1/0817/40

Dear Sir/Madam

Proposed Demolition of an Existing Waste Transfer Station and Construction of a Replacement Facility at Waterside Garage Hadfield Glossop

Further to the writers meeting with Planning Officers at County Hall on Thursday 5th July 2018, regarding the above-named Planning Application, we submit the following information as requested:

Re-submission of the proposed site layout plan, indicating the Application site of the proposed new waste transfer station edged red, with an area of 91.8 square metres and the full site area edged blue covering 1.86 ha.

A further copy of The Planning Design and Access Statement providing sufficient information relating to the use of the building and the site, but if you require any further information, please let us know.

Our client requires to build this unit as soon as possible, which will result in an improved operation of waste transfer.

We note that this Application was submitted to your offices in July 2017, and we have subsequently granted numerous extensions of time for determination of this Application.

We would, therefore, be grateful to receive the required Planning Permission as soon as possible.

Yours faithfully
