Dear Sir/Madam

Thank you for your consultation (ref; HPK/2018/0272) which was received 29th August 2018.

We have reviewed the submitted documents and on this occasion the Environment Agency will not be making any formal comment on the submission. This is because there are no environmental constraints associated with the site which fall within the remit of the Environment Agency.

If the proposal subsequently changes such that you feel it may pose a significant environmental risk then please do not hesitate to contact us and we will review our position.

Kind Regards
