

Dear John

We can confirm that both Network Rail and the owners of property adjoining (at 119 Lower Hague) have today been served Notice under Article 13. Please find attached:

- Copies of the covering letters addressed to each party (we would rather these did not appear on the public database)
- A copy of the revised red line boundary
- An area of the site enlarged to show full extent of visibility splays
- A copy of the title plan showing the extent of the Applicants' parents ownership.

We trust that this is all clear, please do not hesitate to contact us if not.

Best wishes

Susan
