Categories:

Hi Hannah

With regard to DOC/2020/0016 - Discharge of conditions 4,5 and 6 and partial discharge of condition 3 in relation to HPK/2019/0415

5. Prior to the installation of any non-domestic extraction and ventilation equipment, details shall be provided (including its position, appearance and details of measures to prevent noise emissions) to and approved in writing by the Local Planning Authority. The ventilation/extraction equipment shall be installed prior to the occupation of the commercial unit and shall thereafter be maintained in accordance with the approved details.

The information provided by the applicant is not sufficient to bring about the discharge of condition 5.

Regards

Matthew Rhodes
