Submission: Objection

Comments: I strongly object to the above planning application , this building blocks light from our property inside an out , has windows looking directly into our garden , and has windows that open over our fence , it's a large building built right up to the boundary fence , it has a gutter that goes right down the side of our fence and onto the ground ,no grid , which has made my fence warp an absolutely soggy , my garden next to this building is an absolutely soggy , a complete bog since it's been built .

This building is twice the size of the initial extension applications , which was further added to causing more loss of light an an water buildup in our garden , this has cause great distress over the past few years while building work has been going on , with no consideration to impact on neighbours, ...
