Submission: Objection

Comments: This application beggars belief .The work started on the unauthorized alteration to the front wall of 22 Bowden Lane on 26 January 2021 and i consequently notified High Peak Borough Council on 27 January 2021 of the obstruction to Bowden Lane. The retaining wall was rebuilt by 8th February 2021 ! The wall is not in keeping with the surrounding walls .A car is now parked half on half off Bowden Lane and a larger vehicle will most certainly obstruct the Lane and access to driveways opposite. This alteration is on a corner where there has already been many accidents from oncoming vehicles
