High Peak Comments by: Jacqueline Wright

From:
Hazel bank, 24
BOWDEN LANE
High Peak
Chapel en le frith
High peak
SK230JQ

Submission: Neither

Comments: 1, I have concerns for the structural /foundations as the workmen using heavy machinery to remove the front wall, causing shaking of the foundations of the houses above the wall.

2, The brickwork is not in keeping with Bowden Lane, all the lane is of the same Stonework, it is character and history of the lane for over 100 years.

I do believe we are in a conservation area..
