Submission: Objection

Comments: To highlight the problem this parking place is going to cause, today Thursday 18th February @ 11.55 the refugee lorry could not get down the Lane because a works vehicle was parked in the parking spot and it was too narrow for them to pass.

If this had been an emergency vehicle it would struggle to pass.

As explained before, 22 Bowden Lane has a garage with off road parking further down the Lane therefore I see no reason for this parking spot.
