Comments: Further to my objections to the unauthorised removal of the front wall of 22 Bowden Lane, Chapel-en-le-frith. 22 Bowden Lane already has both a garage and offroad parking space without causing additional obstruction to Bowden Lane.

As the width of Bowden Lane is not wide enough to park a vehicle to the front of 22 Bowden Lane this became apparent when the bin collection service was unable to pass on 18 February 2021.

Also to be noted is the damage caused to the road surface on Bowden Lane by unauthorised heavy vehicles working at 22 Bowden Lane.
