Comments: I am objecting because there are five properties and they all have large Juliette balcony windows which is going to encourage them to look out over my garden and house which is the only view they have so it's taking my privacy. Also because of where the sun is in the afternoon a two story building the same height as other properties on High Hill Rd is going to take my light/sunlight and will greatly affect my garden and greenhouse. I see also on the plans the fence they are proposing to put up does not go all the way round and leaves a large area of my garden open to anyone to get

through. I'm not completely opposed to a building but I think this is too big and too high.

Yours sincerely

Vivien Walker
