Submission: Objection

Comments: This objection is on behalf of my father Mr Frederick Wilkinson , who is the owner occupier of no 7/9 Macclesfield old rd , his property is directly adjacent to the proposed properties.. The proposed properties are not in keeping with the surrounding properties, my father has lived in his property for approx 75yrs . The new properties with tower above my father's property. The adjoining wall to his property is extremely close , to his property. The access to the garden runs down the side of the property close to my fathers property. There appears to be windows at the side of the house which look onto 7/9 Macclesfield old road , this property has not been overlooked before. The external cladding of the property is not appropriate, all the surrounding properties have been built for many years and are of locally sourced stone. My father lives in a property that has been in my mother's family for hundreds of years. In my opinion this new build will lower the tone of all the lovely old properties around them. Burbage is an old village this part is one of the older areas.,it will spoil all the surrounding properties.
