Subject: Re: APP NO. HPK/2021/0051

I would like to comment on the above application :- I appreciate that parking has to be provided but anyone who knows that particular stretch of High Hill Rd will have concerns. I live on the corner with Watburn Rd and that cont: stretch is narrow. With all the artics that come down they are over the white line and any car has to stop as passing is impossible, if 2 artics meet then they are both on the footpath, so if cars are entering and leaving, there is going to be chaos, also because of the vision problems I suspect that they'll have to pull quite a way out before they can see clearly so that's an accident waiting to happen with any vehicle coming down, particularly the speed at which some of them drive.

Regards
Miss S Chadwick
