Submission: Objection

Comments: I am objecting on the following grounds

1. I will lose the vast majority if not all day light that comes into my kitchen, garden and back bedroom and bath room
2. I will lose also privacy due the property over looking my garden and they will also be able to see into my kitchen and bathroom
3. I work from home and the amount of construction work noise will make the diffcilt todo work
4. I have concerns regarding the car parking for the flats. The parking on HighHill Rd already obstructs access to drive and this will only get worse
