Submission: Objection

Comments: I object to the proposed application with reference to the cycle provision. The only mention, within the application, of the cycle racks exists within the Heritage Statement where it states there is plenty of room at the front of the bank and they will be placed "where it is deemed safe". I believe this is vague especially considering the narrow footway next to the A57 and pedestrian railings.

It is not appropriate to grant permission to install street furniture without detailed plans and a copy of the notice to the land owner, whom I presume is DCC.
