Email:

Submission: Objection

Comments: Dear Sirs

Concerned that the right part of the road near the shop suffers currently with flooding issues, water flowing to the bungalows adjacent to Watburn Rd, as the drains are not built for the sheer amount of water they have to manage.

Too much heavy plant traffic on High hill rd as it is and hogs the road due to parked cars.

The properties will not have enough parking spaces to accommodate residents, which will impact children walking to school placing them in danger.

Thank you

Gary Whitehead
