Submission: Objection

Comments: This footpath is well used and has been for many years, it used to run through an operational foundry without issue. It is one of many, many paths that crossed cross the countryside and offers a more sheltered route through to Shalcross than using the more exposed route higher up.

The amount of closed and diverted paths is a cause for concern in our right to roam freely and I object to this proposal on these grounds, we must maintain our rights to walk freely.
