No highway safety comments to make based on the proposals as submitted.

Please append an advisory note in accordance with the below, on the basis the existing vehicular access will need to be widened to facilitate access to the proposed frontage car parking.

Planning permission does not give you approval to work on the public highway. To carry works any works associated with the modification of the existing access, separate approval must first be obtained from Derbyshire County Council as Highway Authority - this will take the form of a section 184 licence (Highways Act 1980). It is strongly recommended that you make contact with the County Council at the earliest opportunity to allow time for the process to be completed. Information and relevant application forms, regarding the undertaking of access works within highway limits, are available via the County Council's website www.derbyshire.gov.uk, email highways.hub@derbyshire.gov.uk or telephone 01629 533190.
