

No highway objections in principle to replacement ground-floor windows only.

Please append the following advisory note in any consent issued for the applicant's attention:-

Prior to commencement of any works associated with the application the applicant / Contractor, shall contact Derbyshire County Council to agree any measures necessary to protect the safety of highway users (pedestrians) on the adjacent public highway, whilst the works are undertaken. Please contact the Highways Hub (highways.hub@derbyshire.gov.uk) giving as much notice as possible in advance of the start on site.

Ian Turkington | Project Engineer | Highways Development Control
