Subject: Climbing Frame at 192 Macclesfield Road, Whaley Bridge

Hello my name is Mrs Judith Watkins I live at 32 Reddish Avenue, Whaley Bridge, High Peak. I am writing to object against the planning application submitted by Mrs Dyer of 192 Macclesfield Road. The reason for my objection is that, Mrs Dyer has already gone ahead and erected the climbing frame in her back garden before acquiring planning permission. When people are using the climbing frame I am over looked into my back garden and into my house.
