Lower Hague Fold Farm

We don't have sufficient information to be able to assess the impact of the proposal on the structure itself or on the setting of the Listed Farmhouse. We need an historic assessment of the building itself (function/age/ features etc), photos of all elevations and details of the interior. A proposed elevation drawing is missing. We also need to know if this structure is in the residential curtilage.

Thanks

Gill Bayliss MA (Arch Con), MA (Env Planning) IHBC RTPI
