Submission: Objection

Comments: traffic is already horrendous coming into buxton , this will make matters worse, when they built the last lot of houses no consideration was given for the residents of Kinderway with dust constantly filling our backgardens and cars every day, I cant get a nos dentist as it is never mind with more people and houses, the fields at the back are used regularly for dog walkers getting rid of the fields would make them dog walkers have to travel further which would increase traffic as they would have to drive to a more suitable location
