No highway safety comments to make to the principle of the application; however, it is noted that there is a proposal to create a parking area to the front of the site, which appears to have been used as an outside seating area previously. Whilst the fronting footway and kerbs are dropped it is unclear if the footway is constructed to the necessary standard to accommodate vehicular traffic. For the avoidance of doubt, the applicant should apply to Derbyshire County Council's Highways Hub for a S184 licence. Please attach the following advisory note to any consent granted:

Pursuant to Section 184 of the Highways Act 1980 and Section 86(4) of the New Roads and Streetworks Act 1991 prior notification shall be given to the Department of Economy, Transport & Environment at County Hall, Matlock regarding access works within the highway. Information, and relevant application forms, regarding the undertaking of access works within highway limits is available via the County Council's website http://www.derbyshire.gov.uk/transport_roads/roads_traffic/development_control/vehicular_access/default.asp, e-mail highways.hub@derbyshire.gov.uk or telephone Call Derbyshire on 01629 533190.
