Comments: It's an absolute disgrace on many levels and detrimental to the town. Building another 147 homes will inevitably lead to an increase in traffic in an area of the town which is very often grid locked i.e Fairfield Road. The new roundabout will do nothing to alleviate the problem. GP surgeries, dentists, schools are all currently struggling and cannot cater for more and more people. The town has already experienced large scale home building and continues to do so. It cannot facilitate more.
