I don't know the reference number.

And I never had a letter from the council about it.

Subject: Fairfield planning application

To whom it concerns,

Regarding planning permission by vestry partnership I am writing to oppose to this.

Already roads are heavily congested.

Emergency services struggle at busy times as the roads are congested (imagine you needed life saving services)

The schools are heavily populated.

The doctors already under extreme pressure and struggle to be seen withing 2 weeks.

The added traffic for the area.

Our children being safe since the already new development cars are speeding down granby road. And children playing/crossing outside I dread a child being hit by a car motorbike.

The last thing Fairfield needs are more homes. Instead play areas and the land at the end needs to be kept as it is to allow family's to continuously use the beautiful green area. And have accessed to it for some that is the only area we can safely take our children and dogs walking. As a family we enjoy this land and it is sometimes the only bit of respite I get as a mother walking my dog and my children one of which has adhd and is often very enthusiastic and needs his freedom on that area.

I strongly oppose as taking up more of this land has many negative consequences to many families like mine.

Don't take my sons last bit of safe time that is so close to home.

Mrs E Tuft
