Submission: Objection

Comments: I am writing on behalf of my mum who lives on Victoria Park Road. As per my objection to the previous planning application for 73 houses, which have now been built I strongly object to a further 147 houses being built and my reasons are as follows:

There have been no changes to infrastructure or public services since the 73 houses were built. How can our schools, doctors, dentists, pharmacies, shops and roads cope with the excess burden that these houses will put on them? The congestion on Fairfield Road is already a nightmare and a new, very costly roundabout will not make any difference! Are there any jobs for any new people coming to the town? Existing Buxton residents struggle to get a doctor or dentist appointment.

My parents living at the end of Victoria Park Road along with their neighbours and others living on Chatsworth Road, Granby Road etc have put up with disruption, noise, dust, mud, massive heavy vehicles constantly passing their properties for over two years and the build of further houses will go on for possibly up to three years or more! This is totally unacceptable, their lives will be affected massively again. My mum will not park on her own driveway due to traffic travelling at high speeds from Granby Road onto Victoria Park Road and vice versa, it has made her extremely nervous.

The Ashwood Dale quarry regularly blasts and this can be felt at Victoria Park Road, so goodness knows how this will effect closer properties.

I along with my mum, sister and other neighbours campaigned against the previous houses, submitted a petition with hundreds of signatures and I spoke at the Planning meeting. All to no avail.

Is anyone listening to the concerns of existing residents?

Regards,

Wendy Sircar
