Comments: Dear Sir/Madam, I am the Chairman of Dinting Cricket Club which lies alongside where the planning is for the renovation of the old Zion church site. I would like to seek some assurance from the developers regarding the provisions for safeguarding against any potential cricket balls being hit in the area of the development. although the development seems to be a good distance from the cricket pitch, we have experienced balls being hit onto this land and want to be comfortable that the cricket club will not be liable for any damages or claims of this sort. Please could you provide contact details of the developers to discuss this?
