Comments: As if the busiest junction in new mills cant cope with anymore traffic Marsh Lane, church Rd, low Leighton rd and church Lane. There's numerous minor accidents every month in front of my house on Low Leighton Rd it how long is it going to be before there's a major one and someone is injured especially on match day when its cluttered with cars that have nowhere to park, not to mention the doctors, schools and dentists have no room. How about they finish the house at the back of my house on Marsh lane (marsh mills)
