Comments: I would like to know where you plan on the people who attended the football club, St George's primary school and new mills secondary school park on match days, other events they hold and pick up and drop off at school times as the cross roads/junctions of church lane, Church Rd, Low Leighton Rd and March lane are lethal on those days! My Mum and Dad live on low Leighton road and traffic/ parking is a nightmare on the days when events happen and the number of near misses and minor accidents happening are often due to unsafe parking with no consideration for residents who need to access their drives/houses. I'd be grateful if you put pressure on Guinness Homes to finish the ones off on Mash lane first as I've been waiting for 4 years now for an affordable house I was offered there whilst still sat in private overpriced rented accommodation!!!! We also have a large housing development of 2/3&4 bed houses being built off hayfield Rd known locally as Kemps corner that hasn't been finished yet! I'd also like to know which over subscribed schools and doctors the new residents of these properties are going to attend for education and when ill.
