Submission: Objection

Comments: Comments:

The current HPK/2022/0434 planning application would result in ‘‘overlook and loss of privacy’’ to the back of number 5's property.

Our garden and conservatory sit lower than number 3's property and the side windows would be looking directly into our garden and property.

We would request that either a permanent 6ft privacy wall be constructed, or the side windows removed. If either a privacy wall was to be constructed or the windows removed, then we would have no issue in removing our objection.
