Submission: Objection

Comments: I wish to raise our objections to the proposed extension at No 1 Royle Avenue.

Loss of amenity and an overbearing outlook would be caused by the proposed side extension.

Proposed windows to the existing building above the side extension would cause a privacy issue to No 3 Royle Avenue. This would not be the case from the first floor rear extension as an overbearing nine foot high fence has recently been erected between the two properties of No 1 and No 3.

There have been several extensions already added to No 3 resulting in a nearly 100% increase from the original build.

No 1 Royle Avenue is already dominant on the avenue and the proposed extension would be overbearing especially to the South and East of the avenue.
