Subject: Application HPK/2022/0335: Mount Pleasant Methodist Chapel. New Mills
Date: 24 October 2022 10:30:44

APPLICATION :	HPK/2022/0335
LOCATION:	Mount Pleasant Chapel Spring Bank New Mills
PROPOSED DEVELOPMENT	Preservation and stabilisation of former chapel structure, construction of a new dwelling, conversion of former Sunday school to Class E (cafe), landscaping and associated works.

Dear Declan.

I hope you are well? I have received and checked over a WSI for archaeological works in keeping with the advice I provided on 28th September. This WSI has been updated and reflects works already undertaken in part fulfilment of archaeological conditions for planning permission HPK/2020/0515. In its updated form it is acceptable for this application to ensure proportionate and appropriate archaeological works continue to be undertaken should consent be granted. Please however include the recommended condition within any consent to ensure that appropriate archaeological works continue as part of this application.

I hope this is helpful

Best regards

Reuben
