Submission: Objection

Comments: I oppose this planning proposal due to the fact we don't need any more houses in new mills as the doctors dentists and schools are full enough. The junction isn't big enough to accommodate the extra cars that will probably be 40 plus extra. There are two schools on that road so traffic is very busy now. The football club is a great part on new mills community and a place for families to go, children to learn a sport and keep active.
