Submission: Objection

Comments: It would be absolutely nonsensical to allow for this to be built. The current level of congestion at and around Dinting in the day time is ludicrous and dangerous. Both my children attend Dinting school and not only is it already an absolute nightmare to get there on time but this development will increase this 10 fold! It's not fair on the residents trying to leave the town who struggle to get to work as it already is. Should this development be permitted to go ahead, it will be disastrous (more so than it already is). Let's hope the individuals considering this application exercise some common sense.
