Submission: Neither

Comments: I live on New Road, and I support any plans that will bring employment into the town.

My only concern is the increase in traffic this will bring down New Road. I have a 7 year old son. My front door is 1m from the road. If/when New Road is resurfaced the average speed of cars will double overnight. I would demand speed bumps (severe ones) are put in to slow this average speed. Currently the large pot holes do this remarkably well!
