Comments: The fact that Wains homes have submitted details for a 200 home estate to be built on Adderley fields Glossop means a great loss for the local residents who use these fields for recreation of which there is nothing in the immediate vicinity without jumping into a car and driving to the Glossop parks..ie more greenhouse gases! Also judging from the outline plan the access road to Adderley place and Simmondley lane will become a rat run NO DOUBT about that!! unless there is going to be a barrier put in place before the Scouts premises..This plan has not been seriously thought out.
