Submission: Objection

Comments: As a regular commuter into Glossop, the A57 is regularly at a standstill at all times of the day, not only during morning and evening rush hour. The proposed access to the site is very close to a primary school which itself is on one of the most congested sections of the A57, any additional traffic volume encouraged onto this section by the provision of a new housing estate will only add to an already unacceptable situation.

I note the developer is blatantly trying to portray a beneficial for Glossop proposition, when it is blatantly obvious to anybody that the motive behind this application is commercial profit.

I urge you to reject this application.
