Comments: Glossop is over run with new houses!!! The in/out of Glossop has been a nightmare for years and still houses are being thrown up. Glossop capacity is way too much, the place doesn't have enough Doctors, dentists, schooling. things are at breaking point and still plans are being submitted. The emergency services are at breaking point and struggling to get to their destination. too much time wasted on too much traffic. we don't need anymore cars having to get out. Public transport is unreliable, people will be working outside of Glossop as most things have gone from what used to be a lovely thriving town. Stop with the houses, why not have a bowling complex, a cinema something useful at least. Glossop can't take anymore!!!!
