Comments: If you approve this it's an abuse of your power. We don't have the infrastructure to support the people who already live in glossop never mind 100 more houses. When does this destruction of green space, appalling disregard for peoples safety stop? Dinting vale main road and Simmondley new road are both dangerous, over crowded roads as it is and you can't go anywhere near the bottom of simmondley without sitting in traffic. If you allowed these home to be built you are destroying a beautiful town with very little green space left. This is just the greed of Wains homes, who don't give a hoot about glossop residents. Glossop is so over populated, the building of 100 new homes would just cause absolute mayhem and chaos. Please say no, if not for me but for the future generation of glossop.
