Submission: Objection

Comments: I strongly object to the planned proposal for development on the land at Dinting Vale. Developing on this area will be catastrophic for local residents, Glossop is already ridiculously busy at peak and non-peak times, and the planned development will just further this. The proposed access will be unviable, both during and post-construction, and will make access to local residents seriously difficult. The infrastructure isn't there for Glossop to have more huge new build estates crammed onto already limited green space. There are constant problems with United Utilities, doctors, schools and dentists are full, so the new proposal is nothing more than damaging to the community and provides no benefits to anyone.
