Comments: Hadfield and surrounding areas already suffer very bad traffic problems and we are still waiting for the bypass , getting in and out of Glossop is a nightmare and has been for years ,building another 100 houses will put even more strain on this and the infrastructure can't cope as it is. This is a ridiculous idea no more homes should be built until until this has been improved ,starting with the roads which are in the worst conditions I've seen in the last 40 years
