Submission: Objection

Comments: HPK/2022/0456. Please stop building in this area. We all know of the traffic problems here, but also if you build on one of the few remaining fields we will get more flooding. The water already pours down Dinting road and the back cobbled road after it has rained. I am not sure that anyone in your planning department listens to anything we say, but no one I know wants any more houses here.
