Submission: Objection

Comments: I am worried about the disruption and loss of habitat for the wildlife on the proposed site and surrounding areas while the houses are being built. The pressure 100 new homes will have on the local facilities such as schools, access to medical (the closest GP's is Simmondley) but mostly the extra traffic in the area. It is already incredibly difficult to get in and out of Simmondley and over 100 extra cars will only add to this.
