Submission: Objection

Comments: There are far too many new houses built in Glossop and surrounding areas. The current infrastructure cannot support the population of Glossop. Specifically roads in and out of Glossop. Doctors, dentists, and schools. The A57 in and out of Glossop is all ready busy 100% of the time. Adding another 100 houses with an average of 2 cars per house will only make this worse. I therefore object to this application
