Comments: Apart from building on green spaces, there is no infrastructure in place to deal with this. The main road is busy at the best of times but at rush hour and school pick up and drop off will cause complete gridlock. I live in Charlesworth and work in Glossop and if I travel at school time the traffic in Dinting is horrendous. Added to that the new traffic off the estate opposite Melandra Castle Road .....I suspect it will be quicker to walk to Glossop especially when the roadworks aren't coordinated. Ridiculous plan ! Put decent roads in, more schools, better public transport first.
