Submission: Objection

Comments: As a resident of Charlesworth I am concerned about the living conditions for local residents. People in Charlesworth, Chisworth, Gamesley and rural parts will struggle to easily enter Glossop to access essential amenities. The congestion from traffic is already very bad. This will significantly worsen it. As such it will also significantly increase noise and pollution in nearby existing residential areas. It will also impact the health and safety of Churchgoers and school children on Dinting Lane.
