Email:

Submission: Neither

Comments: Whilst I want to see this area development as it is unused brown site, I have concerns regarding access to the site with new road being unadopted and full of pot holes the other access would be via Elnor Lane and down Shallcross Mill Road. This is a quiet residential street with many families with young children that play on the estate. Therefore if there was increase in traffic, especially large vehicles there is more chance it incidents involving the younger generation
