Submission: Objection

Comments: The site that has been proposed to build on is a much loved nature space with wildlife in that area. All will be lost or killed. The impact of more people moving into the area, can not be accommodated on our poor road system, Glossop will be gridlocked, a battle already to get in or out of. Frustrating residents, adding more pollution to a pressurised environment. Affordable homes as a last minute bid to get through planning is not a solution, it should be stopped.
